REQUESTING TRANSCRIPTS

Students and alumni use Secure Transcript to order transcripts online – to any destination globally in a FERPA compliant manner. Auto notifications are provided throughout the request, approval and delivery process, with real-time status updates available online.

SCHOOL APPROVAL/RELEASE

Schools maintain control of the process, rapidly and easily reviewing all requests online, approving (or holding if need be), and uploading their existing transcript report (generated from within their student system) to Docufide in a simple one-click process.

Docufide delivers your transcripts to the receiving colleges in their desired format (image, data, and mailed on security paper). Secure Transcript includes comprehensive online reports, document delivery tracking, and the nation's most comprehensive network of receiving colleges.

Secure Transcript will reduce time and material costs for official transcript and document delivery. Learn how by calling Docufide today at **310.309.3722** ext. 4 or email at sales@docufide.com.

Peer Recognition for Docufide's Services

"Thank you!!! We are very grateful that we found out about your wonderful company as it has saved us so much time as well as provided us with money needed to purchase new computers, etc."

Darla C. Crouse,
DISTRICT REGISTRAR
CAPISTRANO UNIFIED SCHOOL DISTRICT, CA

"As part of our institution's environmental sustainability initiatives, the Illinois Wesleyan University Admissions Office is moving toward a paperless application process. A very important component of this process will be the ability to receive electronic transcripts. Not only does it make sense environmentally, but it also assures a quick and accurate delivery of important academic information for applicants. Docufide's ability to deliver electronic transcripts in a variety of platforms allows us to move forward in better serving both secondary schools and students."

Tony Bankston
DEAN OF ADMISSIONS
ILLINOIS WESLEYAN UNIVERSITY

"Last year, DePaul University joined the burgeoning trend in paperless college admissions. Docufide's service fits perfectly with our process. It not only facilitates the receipt of transcripts, but the rest admission procedure as well."

Hank Ruelas
ASSISTANT DIRECTOR, ADMISSIONS OPERATIONS
DEPAUL UNIVERSITY

Proven Expertise

- Docufide has delivered transcripts from schools in twenty states to over 4000 destinations, including over 2500 colleges nationwide.
- Many state agencies are now working with Docufide to provide statewide secure records exchange from their high schools and universities to any destination – electronically or in print.
- Docufide has been endorsed by the Midwestern Higher Education Compact to help implement MHEC's e-Transcript Initiative among twelve Midwestern states that account for 25% of the nation's high school and college students. More information is available at <http://eti.mhec.org>.
